RAISE $500 IN FIVE EASY STEPS

Raising money is not as hard as you think!
Remember all the money you raise stays
in our community.

HOW TO RAISE $500 IN FIVE DAYS

FUNDRAISING TIPS

DAY	TASK	TOTAL YOU'VE RAISED
1	Kick off your fundraiser by making a donation.	$ 25.00
2	Ask four of your family members to register or make a donation.	$100.00
3	Use an A-Team Pledge Form* to collect $25 donations from at least five friends and neighbors. Come on, don't be afraid. People want to help. Just think of how many Kringles, magazines and Girl Scout cookies you have ordered. We form a better community when we support each other.	$125.00
4	Hold a Facebook Fundraiser. Ask 40 friends to contribute $5 and invite them to the A-Team Fun Walk for Autism. How many Facebook fundraisers have you donated to? This is an easy ask. It's easier than ever to do it this year.	$200.00
5	If you are meeting in person, ask your office or church to collect change for a week. You'll be surprised on how fast it adds up. Put up an A-Team Poster* to get the conversation started. Don't forget to ask them to join you if you are coming to the walk this year. If you're still virtual, send them an email ask.	$ 50.00
	REMEMBER–*You have to remind people to follow through with a donation. It's OK to send an email reminder and to reach out to contacts on social media. Think of how many friends that you have supported. We are connected.*	**TOTAL:** $500.00

EASY MONEY

Take your $500.00 and double it. Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. If your company is eligible, request a matching gift from your employer and send it completed and signed with your gift to Rechelle Chaffee's attention. We will do the rest.

Downloadable A-Team Pledge Forms and Posters can be found at assew.org/ateamfunwalk under the Fundraising tab.
